*This form is intended to collect information about your photograph donation to assist Project SAVE in documenting them and is optional. Even if you cannot identify your photos we would still welcome them. The information will be added to our files to preserve your donation's full story and context and may be available to researchers using our collection. You may print out this form, or use it as a guide to write your own description. Feel free to include any additional information and attach additional sheets as necessary.*

**Please include a brief description of the photographs and the subjects. For example: "Photos of my grandparents' journey to America," or "my high school graduation."**
